

Index to PDF Files on *Fire and Ice*

This is an index of the PDF files on *Fire and Ice*. You can use it to download and read sermons using your browser. If you download this file and store it in the same folder/directory as your PDF files, you can use it to organize your files and make them easier to find.

If you download this file you will be able to use it in the PDF Reader independent of your browser. Simply download the file, put it in the same directory/folder as your other PDF files, open it in Acrobat Reader, and you're ready to read!

Suggestion: put a shortcut to this file on your desktop. Then you can open any of these files with just two clicks. Future versions of this file will have the same name, so they will always work.

Instructions:

Each file has two links. The “local” link is a relative or local link to the directory/folder this file resides in. The “download” link is an absolute link to the directory/folder on the *Fire and Ice* server.

If you are reading this **on-line**, you can read each PDF file by clicking on *either* link.

If you are reading this **off-line**, clicking on the “local” link will open the file for reading, assuming you have downloaded the file as well, and they both are in the same directory. Clicking the “download” link will download the file from www.puritansermons.com.

Some browsers will not allow you to save a file to disk once you have already started reading it. If this is the case with your browser, you should use the HTML version of this index.

I hope you enjoy the sermons on *Fire and Ice*. Please share them with your friends and family.
